GO BRIGHT FOR BODIE

Primary School Pack

Thank you for hosting a Go Bright for Bodie day, in aid of The Bodie Hodges Foundation. We are delighted that you are joining us for a day of FUNdraising! We hope you and your students enjoy going Bright for Bodie and taking part in fundraising for a local charity.

The Bodie Hodges Foundation is a child bereavement charity, supporting families in Leicester, Leicestershire and Rutland following the death of a child. We do this by providing 1:1 early therapeutic counselling sessions, peer to peer support groups, and providing Bodie's Treasured Memory Bags to bereaved siblings across the UK.

We are completely self-funded, so having lovely people like yourselves support us is crucial to keep our services running. We hope that your 'Go Bright for Bodie' day will give you, your colleagues, and your students, an insight into the importance of our work, and will hopefully educate you on how to support families after the death of a child. Your involvement means a lot to us and will help us to ensure that no family is left to grieve alone.

It would be fantastic to see students going Bright for Bodie by wearing their brightest, most colourful clothes. Students could pay £1 to wear non-uniform, which would then be donated to The Bodie Hodges Foundation.

The Bodie Hodges Foundation aims to help people to understand their thoughts and feelings through their bereavement.

The following activity ideas are designed to help young people engage with others and share coping strategies around anxiety and low mood. The aim is for students to share their self-care routines and build each other's self-esteem. This can help them learn from each other and feel supported.

Within these activities, we encourage students to use bright pens and paper, incorporating the 'Go Bright for Bodie' theme.

We suggest that you print off any of the downloadable resources in advance and come up with a plan for the day using our ideas, or some of your own. All the activities follow the 'bright' theme.

Where possible, we would be hugely grateful if you could take some photographs of the day and share on your own social media pages, tagging The Bodie Hodges Foundation. It would also be wonderful if you could email a few photos to Lucy on lucy@bodiehodgesfoundation.co.uk for use on our website, social media, or promotional materials (we understand that this is dependent upon consent).

Enjoy! With love from Team Bodie x

MORE GO BRIGHT FOR BODIE IDEAS!

Create a piece of colourful artwork, individually or as a class, and put it on display in school – maybe swap your paint brushes for some unconventional tools like vegetables, toy cars, or fabric scraps.

Print off some age-appropriate mindful colouring to encourage calm emotions and self-reflection.

Write a poem about how you can be kind, friendly or helpful.

Play the compliments game – a ball gets passed around the room between students, the child throwing the ball then gives a compliment to the child receiving the ball.

Brighten someone's day by performing a random act of kindness – e.g. give someone a compliment, help someone carry their things, encourage classmates to join in with a game, share crayons or toys, tidy the classroom.

Come up with some other fun ideas that your students would enjoy...

Together, we can create glimmers of light in a family's darkest days

Sign up to our Glimmers of Light campaign by setting up a monthly gift.

Your support will help us to provide families with a safe space to process their grief, connect with others who understand and a place where they can remember their child.

Grief can feel extremely isolating, but through our services we help parents to look for those glimmers of light, reminding them of the love they hold for their child and the memories which can continue to shine bright.

When a child dies, families often find themselves surrounded in darkness, searching for even the faintest glimmer of light to guide them through their grief.

At The Bodie Hodges Foundation we are the light to these families, offering support, compassion and understanding.

Sign up to give £3, £5, £8 or £30 a month.

"Amazing, you guys gave an incredibly dark time a glimpse of light. You helped me to realise I'm not alone and that it's okay to feel what I'm feeling and be honest about it. I honestly cannot thank you enough. There's still a long way to go, but I don't know where I'd be now without your support."
